

TEAM FURY

INSTRUCTION SET

- 1) The starting page of our website is **mainpage.html**.
- 2) For the **Non-Police Login:-**
 - a) Use a legitimate Google Account to Sign-in
 - b) Please Switch on your location for enabling the features of the Map View for users.
- 3) For the **Police Signup/Login:-**
 - a) We have a pre-existing Dataset for the Sign-up Page in order to ensure that no other unauthorised person can login and hinder the privacy of the People.
 - b) The credentials for the **Sign-up** are as follows:-
 - i) **User-ID** - mh123
 - ii) **Email** - rudrapratap@gmail.com (Not a valid Email ID but an attribute of our dataset)
 - iii) **Password** - rudra134
 - Rest of the details can be filled up by the users themselves.
 - c) The credentials for the **Login** page will be same as those used for signing in:-

For Example - If the above user wants to login than:

 - i) **User-ID** - mh123
 - ii) **Password** - rudra134
 - d) Please Switch on your location for enabling the features of the Map View for the police personnels in order to view their own location and identify the location of the clusters.

Note:- The Database for the pages can be used from the **IBM DB2 cloud** where the **Target Name is - BKC20114.SIGNUP**
